Adding an Exam

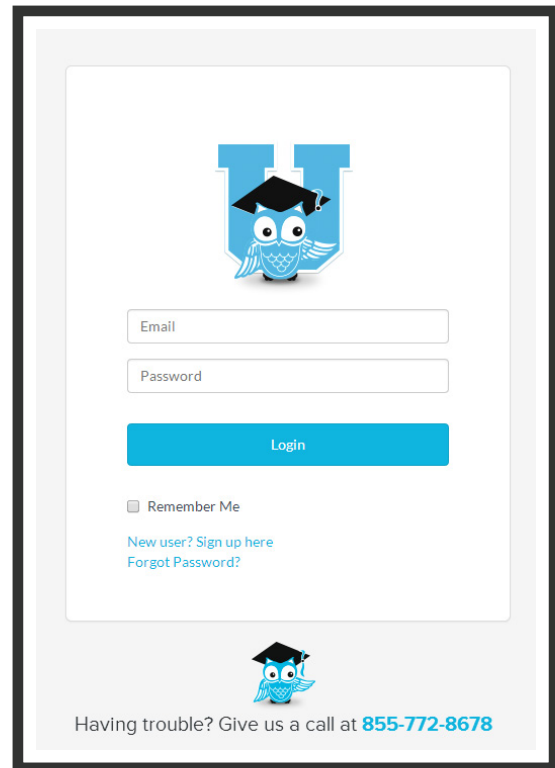

An exam must be added to the ProctorU system in order for test-takers to schedule an exam via ProctorU.

To set up an exam, an instructor may use the integrated form within their ProctorU account. Faculty in need of an instructor account may contact an assessment services representative to be set up with an account.

First, instructors log in to their ProctorU account at go.proctoru.com (Figure 1).

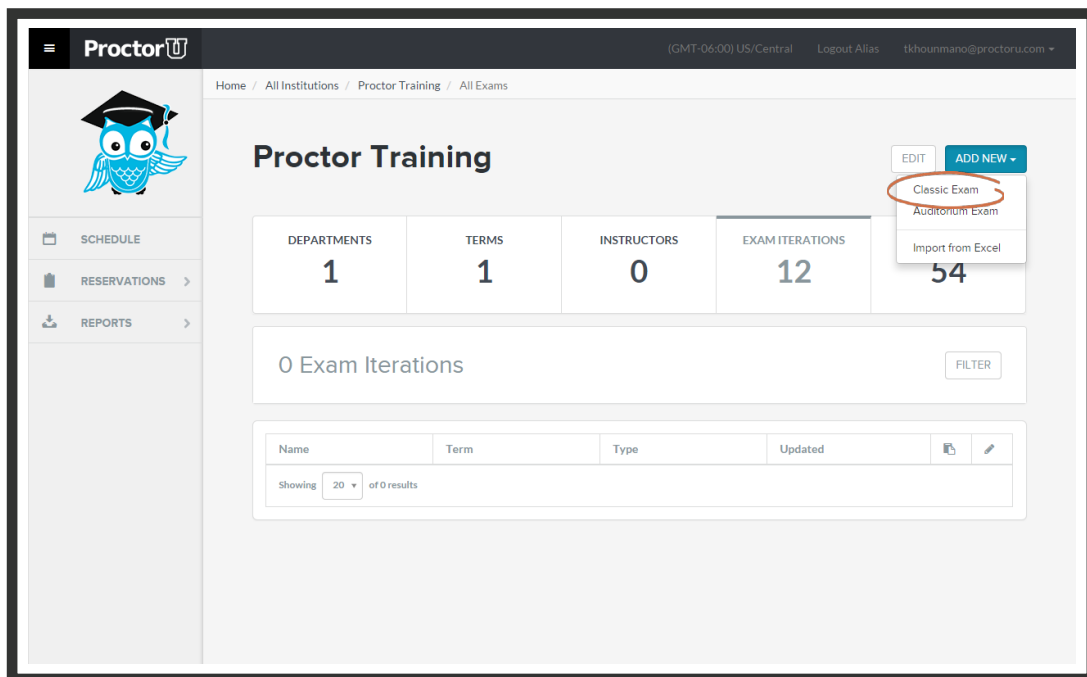

On the home page, click on the exam tab at the top to list exams available to be scheduled (Figure 2). In the top right, there is a blue **Add New** button. Clicking on the button will open a drop down menu with available exam types.

Selecting **Classic Exam** will open a new screen where instructors may detail an exam appointment (Figure 3).

The login form features the ProctorU owl logo at the top center. Below the logo are two input fields: 'Email' and 'Password'. A blue 'Login' button is positioned below the password field. Underneath the button is a 'Remember Me' checkbox. At the bottom of the form, there are two links: 'New user? Sign up here' and 'Forgot Password?'. The ProctorU owl logo is repeated at the bottom center, with the text 'Having trouble? Give us a call at 855-772-8678' below it.

The dashboard shows the ProctorU logo and navigation menu on the left. The main content area is titled 'Proctor Training' and includes a summary table with the following data:

DEPARTMENTS	TERMS	INSTRUCTORS	EXAM ITERATIONS
1	1	0	12

Below the table, it shows '0 Exam Iterations' with a 'FILTER' button. A table below that has columns for Name, Term, Type, and Updated. A dropdown menu is open on the right, showing 'Classic Exam' (circled in red), 'Auditorium Exam', and 'Import from Excel'. The top right corner shows 'EDIT' and 'ADD NEW' buttons. The bottom left shows 'Showing 20 of 0 results'.
